## Foodfromdenmark.com

The food industry and the private consumers are demanding high food standards and tasty products as never before. The private consumers want to be certain about what they eat and they simply don't choose the cheapest products from the shelves. Denmark offers a wide variety of both organic and conventional food with the guarantee of high quality, sustainability, innovation and food safety. The Danish food manufacturers have a great passion and put a lot of energy into producing delicious Nordic food, reaching new international standards. Therefore, we are proud to introduce and offer Danish organic and conventional quality foods at PLMA Amsterdam 2024.
