Foodfromdenmark.com

The food industry and the private consumers are demanding high food standards and tasty products as never before. Denmark offers a wide variety of both organic and conventional food with the guarantee of high quality, sustainability, innovation and food safety. The Danish food companies have a great passion and put a lot of energy into producing delicious food, reaching new international standards. Therefore, we are proud to introduce and present organic and conventional quality food products from Danish companies at PLMA Amsterdam 2026.
