

Foodfromdenmark.com

Did you know that you can find Danish food pavilions at the biggest trade shows in the world? You can find us at PLMA Amsterdam, PLMA Chicago, SIAL Paris, ANUGA Cologne, Seafood Expo Global and various other trade shows. Food from Denmark is the Danish pavilion organizer, and our goal is to make it easier for the buyers to find Danish exhibitors. So, we put them all in one place.

You can follow #FoodFromDenmark on LinkedIn. Here you get the latest update on product developments from Danish food companies and you can find out where the next Danish pavilion will be organized.

Did you know that you can find an overview of over 150 company profiles of various Danish food suppliers on our website foodfromdenmark.com? Check it out and maybe you'll find your next Danish food supplier.

2 - 4 DECEMBER 2025 / PARIS

CARNAD
NATURAL TASTE

All Carnad products are made from 100% natural ingredients. This makes you able to replace artificial taste enhancers, aromas, yeast extracts, salts etc. with a natural, pure taste.

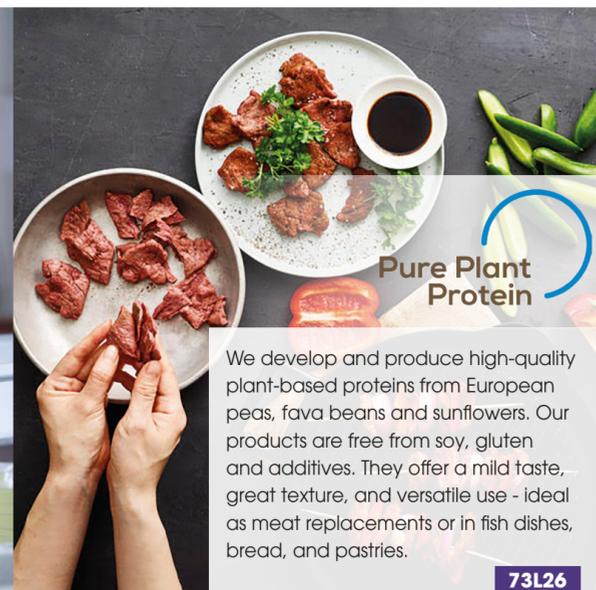

73L22

Lyras is a Danish equipment designing and manufacturing company providing Raslysatation, a non-thermal, resource-efficient treatment method for liquids.

LYRAS

73L24

Pure Plant Protein

We develop and produce high-quality plant-based proteins from European peas, fava beans and sunflowers. Our products are free from soy, gluten and additives. They offer a mild taste, great texture, and versatile use - ideal as meat replacements or in fish dishes, bread, and pastries.

73L26

Carletti is proud to be one of the leading manufacturers of a large variety of inclusions and toppings for many kinds of applications.

Carletti

73M21

Harboe
INGREDIENTS

With decades of expertise in malt extract, we offer a natural solution for flavour and colour in a wide selection of food and drinks such as non-alc. beverages.

AgRAIN 05 (Cocoa Replacement)

Meet Danish producers at FI EUROPE 2025 in Paris

We hereby invite you to visit our Danish food pavilion, where you can meet several Danish food manufactures of high quality and innovation. Let us introduce you to tasty food ingredients and the latest food trends.

We look forward to seeing you at the Danish pavilion!

Best regards,
Food from Denmark
-on behalf of the Danish exhibitors
